

Defra-funded survey for bovine TB in road-killed badgers:

**** BERKS & HANTS Project Extension until 31 October 2017 ****

Thank you! This is excellent news and a result of the hard work you have all put into the survey. It is also a reflection of the determination of the parties involved to make this project work.

Can you help us with this final push in the last two counties, Berkshire & Hampshire?

The locations of the submissions to date are below:

Berkshire:

Hampshire:

	Actual (25 th June 2017)	Target (31 st Oct 2017)
BERKS	11	100
HANTS	69	100

Who should I talk to if I have a question or to request more kits?

Southern Edge Counties:

For Berkshire and Hampshire, please contact:

University of Surrey Veterinary Pathology Centre

Email: <u>badgerTB@surrey.ac.uk</u> Telephone: 01483 689823

Website: www.surrey.ac.uk/vet/pathology-services/badgerTB

Northern Edge Counties:

For Northamptonshire contact:

University of Nottingham School of Veterinary Medicine and Science

Email: sv-badger@exmail.nottingham.ac.uk
Website: www.nottingham.ac.uk/vet/badgerTB

Further information on bovine tuberculosis may be found at the <u>TB Hub</u>.
